### 1.2.5 Prompt Communication of Assessment/Results to Students

The college follows a clear and transparent system to share assessment information and results with students. Marks from class tests, assignments, and presentations are collected and shared within a fixed time. Teachers display the marks on departmental notice boards; share them through WhatsApp or directly in class. If students find any mistake or have any doubt, they can talk to the concerned teacher for clarification. This ensures transparency and builds trust in the assessment process.
