

1.4.1 Student Feedback (taken from students with 80% attendance)

ACTION TAKEN REPORT BASED ON STUDENTS FEEDBACK
(SESSION 2024-25)

A comprehensive review of the feedback was carried out by examining every detail using graphical and percentage-based analyses compiled by the IQAC. The following measures were implemented: —

Action taken report (ATR) for the feedback received regarding faculty members:-

1. The concerned faculty members were individually called by the Head of the Institution, who personally communicated the suggestions received from the feedback so they can work on improving the relevant parameters in the upcoming session.
2. The concerned faculty members were also appreciated for the parameters in which their scores were rated as excellent or very good.
3. The quality enhancement and improvement measures for classroom support services and infrastructure were discussed with the IQAC, and the committee was further instructed to incorporate all relevant improvement factors related to the teaching–learning process in the institution’s next prospective plan.(Session 2024-25).

Criterion	Feedback analysis of Faculty	Action Taken Report
Knowledge Base of the Teacher	Regarding the faculty’s knowledge base, most students believe that the teachers—apart from a few—possess a very good level of subject knowledge.	Teachers were advised to adjust and improve their classroom teaching based on the feedback they received.

Skills	communication skills of most faculty members are very good; however, about 12% of the teachers still have room for further improvement.	with the teachers rated as average in communication skills, and they were advised to work on improving them.
Sincerity and Commitment	According to the student feedback, all faculty members are sincere and committed to their duties, except for a few. However, around 18% of the faculty members have room for improvement.	The student feedback was communicated to the teachers, and they were advised to address the areas highlighted for improvement.
Assignment and Test Conducted	The analysis indicated that nearly all faculty members conducted class tests and assigned homework to students to enhance their understanding of the course.	The feedback was discussed with the concerned teachers, who were advised to make learning more engaging by incorporating brainstorming activities, class tests, assignments, and similar methods in their classes.
Extent of coverage of course	Furthermore, most students were satisfied with the syllabus coverage, except for a few subjects where concerns were noted.	The feedback was shared with the teachers rated as average in syllabus coverage, and they were advised to prioritize the

ALL THE GOOD ❤️
I am happy But I study Govt college Karsog
Nothing.
I am really honoured that I am studying in this college, all teachers and other staff is very helpful , thank you for everything.
Library facilities zero hai
As a standout college experience with dedicated professors, a robust curriculum, and a supportive community that truly fosters personal and academic growth. Govt college karsog provided me with the tools and confidence to pursue my passions, making it a highly recommended choice for anyone seeking a well-rounded education.

Also good
Many facilities are not available in our college as compared to other colleges
The clg is too good
Everything is good 👍
Excellent progress in everything
This college is very good 👍
..
No ❤️
Administrative staff should probably behave with students because they sound very rude
Sports activities should be there.
In campus Some Students demands are not met .
Need more books on library
There should be comfortable seats like science block in arts block
Verify this form
Collage is good
Improve librery facilities
Our college is best 👍 <u>100</u>
I would say for the teachers that they are very punctual and instructive , informative , Mr Satish Thakur sir is a very understanding teacher and I respect them alot
Keep our library neat and clean
My three years at this college have been remarkable, thanks to the exceptional faculty. Som Krishan Sir has been an incredible mentor, guiding students both academically and in life. Vidya Ma'am's deep subject knowledge is truly commendable, and Kajal Ma'am brings fresh insights and immersive teaching. I would, however, suggest a greater focus on practical learning,
