**2.13.**

**Student Progression:**

**2.13.1 Percentage of students opted for higher education**

No. of students who cleared national level examination (CDS, OTA, JAM, NET etc.) Students Progression for Higher Education

Many students of the college choose to pursue higher education after completing their undergraduate studies, reflecting their ambition for academic and professional growth. The college provides proper career counselling, guidance sessions, and information about various postgraduate programs and entrance examinations. Faculty members motivate students to explore diverse fields such as sciences, commerce, humanities, professional courses, and research opportunities. A supportive learning environment, access to libraries, and exposure to seminars help students make informed decisions about their future. Because of these facilities and encouragement, a significant number of students opt for higher studies in reputed universities, aiming to build successful and meaningful careers.

Percentage of students opted for Higher Education =  $333/432 \times 100 = 77.08$
