

3.2.1 Library Facilities

The college library is one of the most important learning centres in college, it provides a peaceful and resource-rich environment for study and research to the students. It houses a wide collection of books, journals, newspapers, and magazines that cover various subjects. The total sitting capacity of the college is 200 students, and it serves as a cornerstone of academic enrichment for the students. It contains a collection of over 10,628 reference books and textbooks, which caters to the needs of the numerous students of the college. In addition to this, the library is also equipped with computer systems and e-resources, which help students in gathering information and make them tech-savvy as well.
