3.7.1 Labs with adequate facilities

Yes, there are 7 laboratories equipped with modern instruments, safety equipment, and advanced technology. The laboratories cater to various departments such as Physics, Chemistry, Botany, Zoology, Computer Science, and Geography.

College laboratories are essential academic spaces that support practical learning and hands-on exploration. They provide students with an opportunity to apply theoretical concepts learned in classrooms and develop scientific skills through experimentation and observation. Qualified lab assistants and faculty members guide students during practical sessions to ensure proper handling of equipment and adherence to safety protocols.
