### 3.9. Canteen, staff room, faculty room, space for NCC, NSS, R&R, examination room, and medical care facilities.

#### Canteen

The college canteen is one of the most vibrant and lively places on the college campus. It is a place where students gather not only to enjoy meals but also to relax, socialize, and take a break from their busy academic schedules. The canteen offers a variety of snacks, beverages, and affordable meals that cater to the tastes and preferences of students and staff alike.

There is a proper sitting arrangement in the college along with proper ventilation and well-maintained surroundings, which provides a comfortable space for everyone. To ensure the discipline and smooth functioning of the canteen, a committee has been constituted by the college administration. Currently, there is more than 150 sitting capacity in the canteen.

## Faculty Room

Yes, there are sufficient faculty rooms in the college, and one faculty room has been constituted for the two departments. Generally, the faculty room of the college is a dedicated space designed to provide teachers with a comfortable and professional environment for academic planning and collaboration. It serves as a key academic space where faculty members prepare lessons, evaluate assignments, and engage in meaningful academic discussions. The room is well-furnished with spacious desks, chairs, cupboards, and computer facilities that support the academic work of teachers.

### **Staff Room**

Yes, there is a staff room in the college. The staff room of a college is an essential space of the college as it serves as a comfortable and well-organized area where teachers can relax, prepare lessons, and engage in meaningful discussions. The staff room of the college is equipped with basic facilities such as furniture, chairs, an almirah, a table, and notice boards. The staff room fosters a sense of community among the faculty members and is a place where teachers exchange ideas, share teaching strategies, and discuss student progress. In addition to this staff room also provides a conducive environment for academic planning and collaboration.

### **NSS, Ranger, and Rover & NCC**

NSS (National Service Scheme), NCC (National Cadet Corps), and R&R (Rover & Ranger) are important student-oriented wings in educational institutions that aim to develop discipline, leadership, social responsibility, and a spirit of national service among the youth. Each of these units provide students with opportunities to contribute to society while enhancing their personal and professional development. These units play a vital role in shaping responsible, disciplined, and socially aware citizens. By participating in these units, students not only contribute to the welfare of society but also gain valuable life skills that help them in academic, personal, and professional spheres.
