

6.8 Teachers Special Innovative Ideas (Brief Description)

Innovative Teaching Practices

Mr. Gaurav Thakur (Dept. of Geography)

Mr. Gaurav Thakur encouraged experiential learning by guiding students in hands-on exploration of their natural surroundings. Students photographed local flora, fauna, and rock types, identified species in both English and Pahari, and observed real weathering processes—effectively connecting classroom geography lessons with practical fieldwork.

Local Flora, Fauna, and Rock Types/Weathering

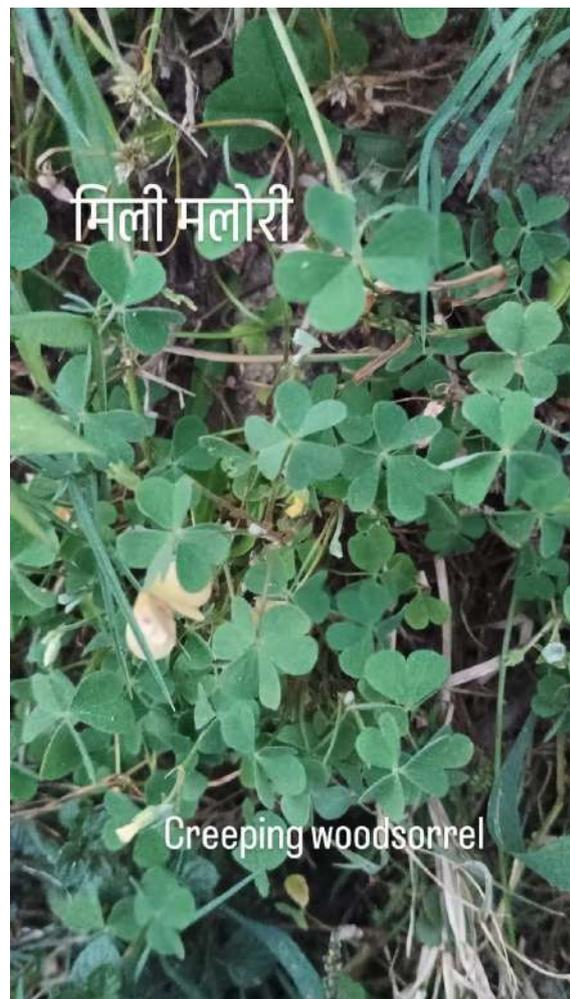

(Catalogued by the students of Geography Department)

Flora

White Clover

Creeping Woodsorrel

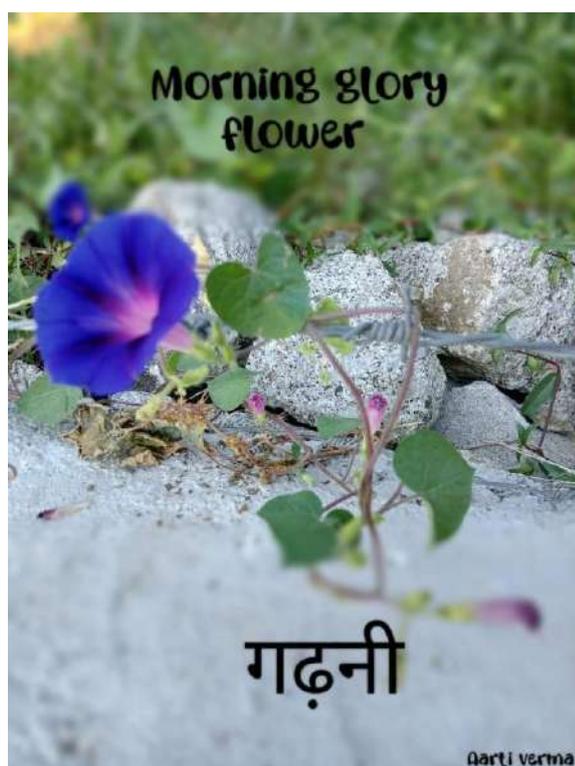

Daisy Fleabane

Parthenium

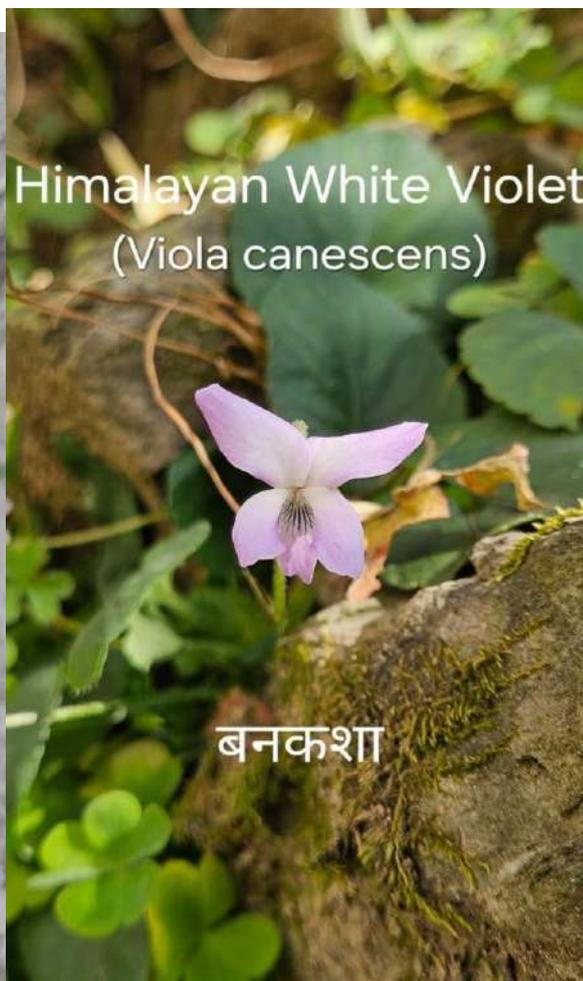

Government College, Karsog
