From The Principal's Desk

Dear student,

I extend my heartiest welcome to you on choosing this college for pursuing your higher studies. The natural environs here, calm and serene, provide you a perfect setting for fruitful serious studies leading to the desired outcomes. The teaching-learning environment in the college is very much conducive for you to realize your potential, ambitions and goals. A team of experienced and young dedicated, energetic, motivated and learned teachers, well qualified and experts in their respective fields is always ready to share knowledge and learning interactively to help you acquire relevant understanding, refined behaviour, good habits and employment related skills that will be very useful throughout your life. They serve as real mentors, inspirers and guides to their students to make them good human beings, concerned citizens and productive members of the society. The horizon of higher education is expanding ever. Higher Education, especially in the context of knowledge economy is more relevant in preparing the human resource potentials of the nation for greater contribution towards national development.

On the one hand opportunities for higher education and avenues of employment are growing for the professionally qualified youth. On the other hand the challenges are also big and tough enough for the youth in the path of progress. The higher education institutions play a critical role in bridging this gap by efficient design and delivery of the curricular programmes, creating state-of-the art infrastructure and learning resources and involving qualified and talented faculty providing support-services which facilitate the process of teaching – learning that promote career opportunities of the students.

Government College Karsog, as reflected in its mission statement, is wedded to quality and efficient service to student community in pursuit of knowledge, values and growth. The learning resources including library books, computer lab, internet connectivity etc., available in the campus are excellent and more than enough. The learning environment is empathetic, affable and enabling whereby the students have the opportunity to get their hidden potentials manifested into mature capabilities. Seminars and guest lectures by eminent academicians make the real-time learning experience exhilarating. Well-equipped hostel for girls make the campus life convenient and student friendly. The college provides you highly developed infrastructure in terms of its classrooms; ICT, laboratory and library resources; language-cum-career lab; sports equipment and facilities and ample opportunities to use these actively in pursuit of your learning. There are options available to you to become active member of NSS, NCC, Rovers and Rangers, Dramatic Club, Red Ribbon Club, Women Cell and Eco Club. In addition to these, there are subject societies in whose activities you can involve yourself. The College also organizes various curricular and co-curricular activities from time to time and it is expected from you to actively take part therein. All this will help you develop many qualities and personality traits which will be your life-long assets.

As you embark on the path of higher education, I call upon you to lay down your goal and work with full dedication and sincerity to achieve it, develop keen interest in studies and learning, engage in self-study and learning from fellow students, manage your time properly and productively. I wish you a very fruitful learning experience in the college that will make you explore your potential and achieve what you aspire in life.

May God bless you!

Principal

GOVERNMENT COLLEGE KARSOG

Government College Karsog, District Mandi (HP) was established in the year 1994 by the Government of Himachal Pradesh in order to fulfill the foremost objective of establishing an institution of higher educational facilities for the needy students of this remote area. The college started its journey with 187 students (B.A. 176 and B.Sc. 11) and the number has risen to 1957 students in the session 2024-25.

The picturesquely beautiful campus of Government College Karsog sprawling over more than three acres nestles in the lap of nature. It is located at the center of lush green valley of Karsog and provides ideal aesthetic environs with spiritual serenity in the proximity of the ancient Mamleshwar Mahadev temple. Geographically, the verdant valley of Karsog bows to the Shikari Devi peak (Height 11000 ft.) on one side; at the same time it spreads down to Kao by touching the feet of Goddess Kamaksha and further descends down to Parlog, the basin of river Sutlej. The place has for long been the seat of meditation of gods and goddesses and various eminent sages like *Maharshi Bhrgu* and *Parshurama*, etc. It is believed that *Pandavas* also stayed here during their 'living-incognito tenure' and freed this land from the atrocities and terror of a demon King. The demon had its dreadful terror among people and used to kill them for his food resulting into gloom and sorrow- 'Shog' in one or other house. The great and powerful Bhima killed this demon and liberated people from their sorrows. In later times this place came to be popularly known as Karsog. Also known as 'Beosh' region, the valley had been a territory of Suket's domain. The famous *Suket Satyagraha* started from this valley in 1948.

The college is affiliated to Sardar Patel University, Mandi. In addition to post-graduate courses in **English, Hindi and Political Science**, various under-graduate courses are being run under the streams of Science, Arts and Commerce. The courses at undergraduate level are offered on Annual system under the Choice Based Credit System (CBCS) introduced by Sardar Patel University from the academic session 2018-19. The instructions in the Humanities are provided in English, Hindi, Sanskrit, History, Political Science, Economics, Sociology, Public Administration, Music (I), Music (V), Geography, Physical Education and Mathematics as Elective subjects. The students of Science can opt for Chemistry, Botany, Zoology, Physics, Mathematics or Computer Science as their electives. The faculty of Commerce offers various related subjects integrated into its overall framework. Besides these major subjects, students are required to take up various ability and skill enhancement courses, which cover contemporary and cross-cutting issues like Environmental Science, Communication Skills and specialized courses in the subject(s) of their choice to equip them for the personal, social and professional challenges in future.

The number of students admitted to the college is increasing every year because of the good infrastructural facilities, remarkable teaching standards and amiable environment of the institute where they get an opportunity for their all-round development. This year in order to enable IT based teaching learning the campus has been upgraded with Wi-Fi facility. Along with it, four classrooms have been converted into smart classrooms equipped with modern infrastructure for structured lectures. A Language-cum-Career Lab and latest Tally Pro software have also been installed in the college to improve the professional skills and competence of the students besides upgrading the library infrastructure, with a special corner for e-learning, and laboratory equipment in different subjects.

Apart from degree courses in three streams, the college provides students the advantage of IGNOU courses through its center active in college from the year 2007-08. Students also get to participate actively in extra-curricular activities, NSS, NCC, and Rovers & Rangers and mark their winning participation at various state and national level competitions. The college magazine 'Kamaksha' provides opportunities to the students to express their creative skills. Various clubs and societies formed in the college give students a platform to show their brilliance and make the college experience memorable and unforgettable. The IT lab has been upgraded with the inclusion of new terminals. Here,

the students get an opportunity to use the internet, thus, updating themselves with the latest trends in the modern global age. One IT room exclusively meant for teachers has been established. The infrastructural facilities that enrich the teaching-learning process and environment in the college include well equipped laboratories in the Departments of Chemistry, Physics, Botany, Zoology, Geography and Computer Science; a well-stocked library with spacious seating space for students to study; sufficient number of classrooms and lecture theatres; a well-furnished Seminar-cum-Conference Hall equipped with ultra-modern audio-visual facilities; a canteen and a hostel for girls having all facilities for their comfort.

The college is committed to qualitative, value based and progressive education. The emphasis is laid upon grooming the wholesome personality. The work-culture of college is in ambience with the mission statements and with the collaborative participation of everyone. The college is progressing every year towards new heights.

The college emblem “विद्ययाऽमृतमश्नुते” means that “Knowledge is the Elixir of Life.” So an attempt to attain a noble character and brilliance through knowledge is the motto of our college. The emblem reflects the objectives and goal of the institution. It comprise of an open book, a lighted candle, lush green trees, snow- capped mountains and the rising Sun. The open book communicates the message that the doors of higher learning are open. The lush green trees and snow covered peaks symbolize the rich ecological and cultural legacy of the region which needs to be preserved by making people aware about its importance. The lighted candle connotes destruction of ignorance and the rising sun epitomize the education as liberating force that leads one from darkness to the light of knowledge.

VISION

The vision of the institution is to achieve excellence and noble character through Knowledge.

MISSION STATEMENT

*To contribute richly to the development of the quality of the life of rural youths.
To foster value based qualities like discipline, character-building, humility and commitment.*

*To encourage curiosity, innovative approach and scientific temperament.
To incorporate high-tech techniques to enhance the skills of the students.
To stimulate academic activity with integrated personality development.*

OBJECTIVE

“CHARACTER AND COMMITMENT”

The mission statement is in consonance with the emblem of the college and both cumulatively underline the high and noble principles with which the college shall attempt to work in the field of education. These together frame a life- long philosophy to the students for addressing the needs of the society they live in. As

such, this maintains the tradition of the institution and Value Orientation.

INTRODUCTION TO UGC-CBCS (CHOICE BASED CREDIT SYSTEM)

Sardar Patel University, Mandi has adopted the UGC framework of curriculum under CBCS from the academic session 2016-17 for the purpose of ensuring uniformity in the standards of higher education and to provide the students quality education on a par with the best in India. The relevant details of the new UGC-CBCS are as follows:

The UGC-CBCS provides an opportunity for the students to choose courses from the prescribed courses comprising core, elective/minor or skill-based courses. The courses can be evaluated following the grading system, which is considered to be better than the conventional marks system. Therefore, it is necessary to introduce a uniform grading system in higher education in India. This will benefit the students to move across institutions within India. The uniform grading system will also enable potential employers in assessing the performance of the candidates. In order to bring uniformity in evaluation system and computation of the Cumulative Grade Point Average (CGPA) based on student's performance in examinations, the UGC has formulated the guidelines to be followed.

Outline of Choice Based Credit System

Discipline Specific Core (DSC) Course: A course, which should compulsorily be studied by a candidate as a core requirement is termed as a Core course.

Elective Course: Generally, a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/ subject of study or which provides an extended scope or which enables an exposure to some other discipline/subject/domain or nurtures the candidate's proficiency/skill is called an Elective Course.

Discipline Specific Elective (DSE) Course (2 each for regular courses): Elective courses may be offered by the main discipline/subject of study is referred to as Discipline Specific Elective. The University/Institute may also offer discipline related Elective courses of interdisciplinary nature (to be offered by main discipline/subject of study).

Dissertation/Project Work: An elective course of 6 credits, designed to acquire special/advanced knowledge, such as supplement study/support study to a project work, and a candidate studies such a course on his own with an advisory support by a teacher/faculty member is called dissertation/project work. A Project/Dissertation work *may be* given in lieu of a discipline specific elective paper.

Generic Elective Course (GEC): An elective course chosen generally from an unrelated discipline/subject, with an intention to seek exposure to other subjects/disciplines is called a Generic Elective Course.

3. Ability Enhancement Courses (AEC)/Competency Improvement Courses/Skill Development Courses/Foundation Course: The Ability Enhancement (AE) Courses may be of two kinds: AE Compulsory Course (AECC) and AE Elective Course (AEEC). "AECC" courses are the courses based upon the content that leads to Knowledge enhancement. They [(i) Environmental Science, (ii) English/MIL Communication] are *mandatory* for all disciplines. AEEC courses are value-based and/or skill-based and are aimed at providing hands-on-training, competencies, skills, etc.

Ability Enhancement Compulsory Course (AECC): Environmental Science, English Communication/MIL Communication.

Skill Enhancement Courses (SEC) (Minimum 4): These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based instruction.

P.S.: A core course offered in a discipline/subject may be treated as an elective by other discipline/subject and vice versa and such electives may also be referred to as Generic Elective.

4. Ability Enhancement Courses (AEC)/Competency Improvement Courses/Skill Development Courses/Foundation Course: The Ability Enhancement (AE) Courses may be of two

kinds: AE Compulsory Course (AECC) and AE Elective Course (AEEC). "AECC" courses are the courses based upon the content that leads to Knowledge enhancement. They (i) Environmental Science, (ii) English/MIL Communication] are *mandatory* for all disciplines. AEEC courses are value-based and/or skill-based and are aimed at providing hands-on-training, competencies, skills, etc.

3. Ability Enhancement Compulsory Course (AECC): Environmental Science, English Communication/MIL Communication.

4. Skill Enhancement Courses (SEC) (Minimum 4): These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based instruction.

5.

6. **Note: A student would be generally required to undertake the Skill Enhancement Courses (SEC) pertaining to the First Elective subject selected by her/him and the nature of the under graduate degree awarded to the candidate upon the successful completion of the course will be dependent upon it. For example, if a candidate has opted for History/Chemistry as her/his First Elective and completes four SE courses in History/Chemistry, s/he will be awarded the degree of B.A. with History/B. Sc. with Chemistry respectively.**

NCC, NSS, ROVERS AND RANGERS

NATIONAL CADET CORPS (NCC)

The students can opt for NCC which provides them an opportunity to get 'C' certificate and preference in selection to the Defense Forces. The NCC training also inculcates a sense of discipline and sincerity which is a great virtue in one's life. The involvement of the NCC volunteers in college activities and functions exposes them to such a learning which is of importance in their lives. The college has N.C.C. Senior Division (Boys & Girls) unit under the Commanding Officer, 1 HP Boys NCC Battalion, Solan with cadet strength of 54 cadets. The student opting for NCC must be medically fit. Enrolment will depend upon availability of seats.

NATIONAL SERVICE SCHEME (NSS)

The NSS helps in developing a spirit of service among the students and is a very important part of the activities of an educational institution. The College has been allotted one unit (100 volunteers) of NSS by Sardar Patel University along with SFU (100 volunteers). The new students shall be enrolled as NSS volunteers to take up regular as well as special camp activities in and around the College under NSS Programme Officer as envisaged under the spirit of the scheme in the beginning of the session. The enrolment is made by selection keeping in view

the interest of the student in social service. The NSS volunteers attend one-day camp, 7-Days Special Activity Camp, conduct village surveys and are involved in other college activities and functions and thus get great opportunities for their development and training.

ROVERS AND RANGERS (R & R)

The Bharat Scouts and Guides is a voluntary organization. It is devoted to the development of character of the young generation and selfless service to the country. The college has two rovers and rangers units for boys and girls of age group 17 to 25. One group consists of 24 Rovers and 24 Rangers. The Rovers and Rangers are sent to attend the training camps from time to time and are engaged in various college activities and functions resulting in great learning to them.

COLLEGE MAGAZINE

The College magazine “KAMAKSHA” provides an opportunity to the budding student writers to express their creative, innovative and analytical views with regard to various issues. Those students who want to contribute their vibrant write-ups should contact /consult staff/ student editors of various sections in this regard during the session.

ANTI-DRUG-ADDICTION CELL

As the incidences of drug addiction among youth is spreading widely across the globe which is depleting physical, mental and spiritual power of youth. Consequently, the Youth is not able to contribute his vast energy in nation building and harmony in the society. Therefore, an Anti Drug Addiction Cell is constituted from this academic session (2023-24). The main target of the Cell is to sensitize the youths about serious consequences of drug addiction. Apart from this, Anti Drug Addiction Cell aims at active participation of Youth in various activities like fitness, Yoga, meditation, value-based education, spiritual empowerment, channelization of energy etc. for the betterment of our society.

CAREER GUIDANCE, COUNSELLING AND PLACEMENT CELL

The College has established a Career Guidance, Counselling and Placement Cell for the benefit of the students as per the instructions of the Government. The members of the Cell are always available to guide the students in selecting and pursuing the careers most suitable considering their abilities. The Committee also aims at helping the students in developing their personalities and sharpening their communication skills.

CO-CURRICULAR ACTIVITIES, VARIOUS CLUBS AND SOCIETIES

Co-curricular activities along with classroom environment help the students to integrate the vital aspects of an individual (student) - the body, mind and soul. With the above objectives in mind, various clubs and societies have been constituted under the guidance of the able teachers. Students are advised to join at least one of the clubs and respective subject societies. A student with mere bookish knowledge and nothing else is a misfit in today's society and hardly acceptable to any job offering agency.

COMPUTER EDUCATION

A language-cum-Career Lab, E-Corner in the library and latest Tally Pro software have also been instituted to augment ICT based learning skills for the benefit of the students.

UGC RESOURCE NETWORK CENTRE

This centre has been established recently with the help of a UGC grant to create awareness among staff and students about the use of computers in various activities like administration, finance, examination and research. In addition to information and communication networks, this would help college to have access to multimedia material in teaching and learning at places of eminence in India and abroad.

ALUMNI ASSOCIATION

The Alumni Association, formerly the Old Student Association was formed in the year 2009-10 with the aim for the welfare of students and college. The Association provides Vivekananda Annual Prize for the best student of the year. The alumni meet every year in the campus and refresh their memories of the college.

PARENT TEACHERS' ASSOCIATION (PTA)

Parent Teacher Association of Govt. College has been established with a motive of constructive interaction between parents and teachers. It has contributed a lot to the development of the College. Its main objectives include to establish the relationship between the parents and teachers, to arrange discussions with the elder persons of the society from time to time and incorporate their suggestions for the improvement of the educational standards, to make a collective effort to improve the conduct of the students and also to restrict the entry of anti-social elements in the campus, to inform the parents/guardians about the performance of their wards from time to time and to make arrangement for the parents to meet the concerned staff once in a quarter, to arrange teachers etc. when there is shortage of staff in the institution as a temporary measure, and to make the parents aware of various schemes of the Govt. in the area of education.

INDIRA GANDHI NATIONAL OPEN UNIVERSITY (IGNOU)

The college runs a regular study centre of IGNOU. The degrees of IGNOU are equivalent to any other recognized university in the country. The courses which are offered in this study centre are M.A., B.A. and B.Com. B.T.S., D.T.S., C.E.S., B.P.P. etc. Regular students of the college can also take admission in the diploma and certificate courses of IGNOU along with their regular studies to plan their future accordingly.

On admission of a student, his/ her parent (father or mother) or guardian (only blood relation) automatically becomes a member of the PTA.

Notice of Annual General Meeting of PTA

The Annual General House/ Meeting of the PTA will be held in the College to transact the following agenda:

- 1. Election of the office bearers and members of the PTA Executive.*
- 2. Any other matter with the permission of the Chair.*
- 3. The dates will be notified and informed to all as and when the government permits.*

Parents/ guardians may please make it convenient to attend the meeting in the interest of the College and their wards.

It may please be noted that no separate communication regarding the Meeting will be sent. It is the duty of the students to remind and persuade their parents/ guardians to attend the same.

ZERO TOLERANCE TO RAGGING
