GDC Karsog is the best college
Learning through language laboratory should be compulsory. .and computer system should be maintained in good conditions ...
Library : Students came into library than they left their books upon desk and they went outside for doing other activities. Due to this other students face interruptions. So I want a proper arrangement and a list of rules outside the library. Washrooms : There should be mentioned a quote like "It smells bad please Flush" or "Fragrance is not tolerable Please Flush" etc.
I feel very charm in the college camps because it is very neat and clean. and the staff of our college is so intelligent and caring & helpful

Teachers' are very nice
Great
College has amazing group of teaching and non teaching staff which is polite, soft and helpful in all aspects. Here professors encourage students to become skilled and despite of studies participate in other co curricular activites. They all try their best to take out best of the students. ✨🙏
Mr. Pankaj Gupta sir is very good teacher. They told us about syllabus and other activities. they treat students like their own child

There is shortage of teaching staff. The sports facility is also not good and there is shortage of seats in the library also. But teachers are very nice especially Sonia mam teaches us moral values along with the subject. Madam is a guide for us. Along with studies; she encourages us to participate in other activities. I would like to thank all my teachers from the bottom of my heart, who made our college life so easy with their hard work and taught us to work hard.

शिक्षा के साथ साथ खेलो का आयोजन भी होना चाहिए । क्योंकि आज का युवा नशे की ओर ज्यादा अग्रसर हो रहा है । खेल ही एक ऐसा उचित माध्यम है जिससे युवाओं का ध्यान नशे से भंग किया जा सकता है। इसलिए कॉलेज के अंदर कॉलेज प्रशासन खेलो का आयोजन जरूर करवाएं।
Glad to be your student
I liked all teachers

ACTION TAKEN REPORT BASED ON STUDENTS FEEDBACK (Session 2022-23)

The comprehensive review on the feedback was done by analysing every minute aspect of the feedback based on graphic and percentage-based analysis compiled by IQAC. The following measures were taken: -

Action taken report (ATR) for the Feedback received regarding faculty members: -

1. The faculty concerned was individually called by the Head of the Institution personally and the suggestions received from feedback were communicated so that they may improve in concerned parameter in upcoming session.

2. The concerned faculty members were also appreciated for given parameter where their score was excellent /very good.
3. The quality enhancement and improvement measures for classroom support services and infrastructure were discussed with IQAC and the committee was further directed to include all factors of improvement regarding teaching-learning process in next prospective plan of institution (session 2023-24).

Criterion	Feedback analysis of Faculty	Action Taken Report
Knowledge Base of the Teacher	As far as knowledge base of faculty is concerned, most of the students are of the view that the knowledge base of all the teachers except few is very good.	Teachers were suggested to make the classroom teaching more effective on the basis of their respective feedback.
Communication Skills	Communication skill of almost all the faculty members as reported by students is very good, however in case of 20% of teachers there is scope for further improvement.	The feedback was discussed with concerned teachers who were rated average in communication skills, and then they were advised to improve the same.
Sincerity and commitment	As per the student feedback all the faculty members are sincere and committed to their duty except few. However, in some faculty members (about 23 %) there is scope for improvement.	The student feedback was conveyed to the teachers and they were advised to work on the same.
Assignments and Tests Conducted	The analysis revealed that almost all the faculty members conducted class tests and gave assignments to the students for the better understanding of the course.	The feedback was discussed with concerned teachers and were advised to make the learning interesting by increasing brainstorming methods, class tests assignments, etc. in the classes.
Extent of coverage of course	Further, in case of coverage of syllabus most of the students were satisfied except in case of few subjects.	The feedback was discussed with the concerned teachers who were rated average in coverage of syllabus and were advised to give top priority for the completion of the syllabus in their courses.
